

JOIN US FOR A DISCUSSION ON

DELIVERING BEAUTIFUL BUILDING SERVICES

PARC is pleased to invite you to a 1 hour, RIBA accredited CPD presentation, delivered at your office or remotely. This CPD will focus on examples of different approaches to building services integration and highlight opportunities for designers to make more successful ceiling designs through the use of coordinated components and bringing together engineering and architectural expertise.

PRESENTATION TOPICS:

- + Architectural design focus
- + Discreet HVAC integration
- + Sustainability through flexibility
- + Technical advantages of deep integration
- + Case studies
